

VANESSA GAVALYA

NATHAN P. HARRIS, D.D.S., M.S.D.

Orthodontics

Dr. Nathan Harris leads one of Dallas' oldest, most respected orthodontic practices in Highland Park Village, with an additional practice in Forney and a satellite practice in Kaufman. A Dallas native and graduate of Highland Park High School, Dr. Harris is board certified in orthodontics and a member of the American Association of Orthodontists. Dr. Harris' state-of-the-art office is completely digital, yet exudes a comfortable and inviting feel. He specializes in the diagnosis, prevention, and treatment of dental and facial irregularities for children and adults. He offers many orthodontic treatment options including ceramic braces, lingual (behind-the-teeth) braces, and Invisalign. His father Dr. Joseph "Andy" Harris, a pediatric dentist, was also named a Best Dentist in Dallas. He and his wife Diana have six children. When he's not treating patients in his busy orthodontic practice, Dr. Harris competes in Ironman triathlons.

Education

*B.A., Texas A&M University; D.D.S., Baylor College of Dentistry;
M.S.D., Orthodontic Residency, Indiana University School of Dentistry*
